

# DLC's Hope Home

## ADULT RECOVERY HOUSING

Hope Home is the recovery residence of David Lawrence Center for Behavioral Health (DLC).

DLC's Hope Home is located on 4.5 acres of land in Naples, FL – less than one mile away from the DLC Main Campus on Golden Gate Parkway. Hope Home offers safe, sober, and affordable housing to individuals in early recovery, where they can continue the progress they've begun in DLC's Crossroads Residential program or other treatment programs.

Hope Home will provide accountability, a structured and healthy new environment, skill building, goal setting, and peer support. There will be access to recovery meetings, weekly house meetings, and activities organized around recovery.

For more information about DLC's Hope Home, please visit [DLCHopeHome.org](http://DLCHopeHome.org). If you are interested in applying to become a resident, please call 239-455-8500, ext. 1582.

### FEATURES OF HOPE HOME:

- Residents learn how to live in recovery and what a life in recovery means
- Affordable rates
- Maximum two residents per room, with single rooms available
- Clean housing plus in-house laundry
- Weekly/daily recovery residences gathering
- Opportunity for residents to work with a Recovery Coach, who provides guidance toward sustainable recovery
- Opportunity to develop fellowship and a recovery community

*Hope Home Mission Statement: The mission of Hope Home is to enable personal growth and powerful life transformation in a safe and sober, peer-led environment where individuals foster connections with the recovery community, thrive in their responsibilities, and work toward fulfilling and successful independent living.*

David Lawrence Center for Behavioral Health (DLC) is a not-for-profit behavioral health provider dedicated to inspiring and creating life-changing mental wellness for every individual through prevention, intervention and treatment services.
